SEPTEMBER

18-20 **NEW!**

Into the Realm of Soul Consciousness

Science confirms what Edgar Cayce knew—that our consciousness continues on after the death of our physical body, that thoughts are indeed things, that we can be precognitive of the future, and that we are individuals yet one with the whole. Remote viewing researcher Stephan A. Schwartz, Dr. Larry Dossey, Dean Radin, PhD, and others explore these concepts and the science that confirms their reality—and what it means for the future of humankind. Co-sponsored by Atlantic University.
